

THE PINK OUT GAME!!

"Pink Out" Game January 9th, 2017

On Monday, January 9th, Brunswick and Northwestern Schools will be coming together for a cause, to fight against cancer. On this regularly scheduled ballgame night, we are having a "pink out" game at the Northwestern Schools. All fans will be wearing shirts with the above design to show that we are working together to find a cure for cancer. Money that is made from this event will be divided between the two communities and given to individuals who are currently fighting cancer. If you know of an individual in our community who is currently fighting cancer and would benefit receiving some extra money to pay for bills or gas, please write his/her name on this form and return with your t-shirt order on or before **Friday, December 16th in an envelope marked give to Michelle Sanders**. You may also wish to purchase pink paper basketballs for \$1 in

memory or in honor of someone fighting cancer or who has survived. On the evening of the game we will have a 50/50 raffle, silent auction, and other pink items for sale that will help raise more money for our community. So plan to show your support on this special night and let's let these individuals know that their towns support them in their fight against cancer. Make checks payable to: **Pink Out Fund**
