

Student's Name: _____
Grade: _____

Extra Shirt of Hope!!!

This shirt will be a black shirt with
hot pink and gray design.

We are offering a second shirt that you might like to wear anytime throughout the year. This is a design that is not dated or labeled as the Pink Out game. This shirt will help spread that extra Hope that we have for a cure someday for that terrible disease, Cancer. All proceeds from the sales from this shirt design will be given to our Pink Out Game Fund-raiser. On Monday, January 9th, Northwestern and Brunswick Schools will be playing a "Pink Out" game. Money that is made from this event will be divided between these two communities and will be given to individuals who are currently fighting cancer. These orders will be due at the same time as the other "Pink Out" game shirts, which is on or before **Friday, December 16th.** Please send the order forms back to school with your child in an envelope that states, **Please give to Michelle Sanders.** Thanks for all your support to help those in our towns!! Make checks payable to Pink Out Game!
